Scope

This policy covers business travel reimbursement for employees traveling on approved company business.

Approval Rules

- Domestic travel under USD 1,500 requires manager approval.
- International travel or any trip over USD 1,500 requires Finance pre-approval.
- Executive travel exceptions require CFO approval.

Meal and Receipt Limits

- Domestic meal reimbursement is capped at USD 75 per day unless a client event is pre-approved.
- Receipts are required for any individual expense of USD 25 or more.
- Alcohol is not reimbursable unless approved as a client entertainment exception.

Booking Rules

Employees should use the corporate travel portal when available. Upgrades, lounge passes, and seat selection fees are not reimbursable unless required for accessibility or medical accommodation.

Restricted Access Note

This document should not be retrievable by normal engineering or HR users during access-control tests.
