Purpose

This policy explains paid time off eligibility, accrual, request rules, carryover, and exceptions for Northstar Digital employees.

Eligibility

- Full-time employees receive 20 PTO days per calendar year, accrued monthly.
- Part-time employees receive prorated PTO based on scheduled hours.
- Contractors and interns are not eligible for paid time off unless a signed contract says otherwise.

Request Rules

- Requests for one to four consecutive business days should be submitted at least five business days in advance.
- Requests for five or more consecutive business days should be submitted at least ten business days in advance.
- Managers approve PTO based on team coverage, blackout periods, and compliance with local law.

Carryover

Employees may carry over up to five unused PTO days into the next calendar year. Any carryover above five days expires on January 31 unless required differently by local regulation.

RAG Testing Notes

This document should answer questions about PTO balance, contractor eligibility, carryover, and approval timelines. It is visible to all employees.
